

Public Security Directorate  
Jordan Traffic Institute

Welcome back to school

**Dear students**  
welcome to a new academic year . wish you success  
Before crossing the street ...remember

stop

look

listen

cross

1. Choose a safe place to cross, visible place by the drivers

2. stand at the edge of the side walk firmly

3. look left, right then left

4. cross the street after you confirm its clear, walk straight forward with moderate speed
