

peacekeeping operations are now increasingly complex and multidimensional, going beyond monitoring a ceasefire to actually bringing failed States back to life, often after decades of conflict. The blue helmets and their civilian colleagues work together to organize elections, enact police and judicial reform, promote and protect human rights, conduct mine-clearance, advance gender equality, achieve the voluntary disarmament of former combatants, and support the return of refugees and displaced people to their homes.»

Former UN Secretary General, KOFI ANNAN.

## Who We Are

### About us:

As a result of the progressive development of UN POs, Jordan PSD has established in 26 February 2013 Peacekeeping Operations Training Center PKOTC a specialized training center mandated to train participants and provide them with the necessary skills to work in accordance with the UN and international policing standards in a mission context.
